

RECITAL COSTUME BILLS

Recital costume bills have been sent home with your dancer. They must be paid by January 31 (in other words by your last January class). Costume payments made after that day will be charged an extra shipping fee, so you will need to contact me for the revised amount. Only paid costumes will be ordered.

Please return the card provided, indicating how you would like your costume bill to be handled.

Your fund raising money may be applied to your costume bill unless you still have fund raising money that has not been turned in.

AutoPay customers will be charged for costumes on February 2nd.

JANUARY SCHEDULE

The studio is closed on Monday January 18th for Martin Luther King Jr. Day.

SNOW CANCELLATIONS

The studio DOES NOT necessarily close when school is cancelled. Often the weather has cleared by class time. I make the decision to close because of bad weather based on the advise of the NYS Police usually by 2 PM. It is not a decision I make lightly. If you are not sure about class because of bad weather, please call the studio 769-2878.

We make every attempt to keep the driveway and parking lot clear. There are containers of salt along the driveway if you need it - please help yourself.
